Re: Aramark Uniform Services, LLC, 12-CA-181762

Dear Mr. Cohen:

As outlined in Section 102.16(a) of the Board's rules, please allow this letter to serve as a motion for a postponement pursuant to of the hearing scheduled for June 15, 2017, in the above-captioned matter. My main (and possibly only) witness has a previously scheduled meeting in Illinois on June 15. In addition, I am unable to be in Florida on June 15 for personal reasons (a previously scheduled vacation/baseball tournament with my family and my three children who are leaving for overnight camp on June 19). I believe the postponement may serve to advance settlement discussions as well. Mr. Plympton and I discussed a settlement today, and I will be making a counter-offer in the near future. I have corresponded with John Sholtes, Representative for Charging Party, and explained my unavailability (though not the unavailability of my witness), but he opposes the postponement request. We are available July 18, 19, or any day the week of July 24. We are also available at times during August if July is not acceptable.

Thank you for your consideration.

Very truly yours,

Ross H. Friedman
