ORDER

The Petitioner's Request for Review of the Regional Director's Decision and Order is denied as it raises no substantial issues warranting review.¹

PHILIP A. MISCIMARRA, CHAIRMAN

MARK GASTON PEARCE, MEMBER

LAUREN McFERRAN, MEMBER

Dated, Washington, D.C., May 24, 2017.

¹ In denying review, we note that the Regional Director may have been mistaken in stating that the Petitioner was not seeking a self-determination election to add the unit of former Tekmate technicians—which the Petitioner currently represents pursuant to voluntary recognition—to the existing certified unit. Nevertheless, such an election would not be warranted here, as it does not raise a question concerning representation.
