ORDER

The hearing in the above-referenced matter is currently scheduled for August 4, 2017. Respondent has requested a postponement of the hearing. A conference call was scheduled by Administrative Law Judge Benjamin Green, pursuant which the parties submitted their schedules and possible conflicts.

Respondent's counsel has requested the postponement due to a combination of professional and personal commitments during the months of August and September. Respondent has requested that the hearing commence during the weeks of September 11 or September 25, 2017. General Counsel has advised that she is unavailable from August 23 to September 8. General Counsel further takes the position that due to the possibility of the initiation of proceedings under Section 10(j) of the Act, the hearing should be held as expeditiously as possible.

Reviewing the schedules submitted by the parties, I note (as the General Counsel has represented) that the parties are all available on September 18, 2017. Accordingly the hearing will commence on that date and continue on September 19 and, if necessary on September 20 (until 2:00 pm due to the religious holiday). Further scheduling, if required, will be within the discretion of the administrative law judge assigned to the proceeding.
