ORDER

The Employer's and the Petitioner's Motions for Reconsideration of the Board's May 31, 2017 Order and its July 26, 2017 Erratum denying the Requests for Review of the Regional Director's administrative dismissal of the petition are denied. Neither party has demonstrated extraordinary circumstances warranting reconsideration under Section 102.65(e)(1) of the Board's Rules and Regulations.¹

MARK GASTON PEARCE,	MEMBER
LAUREN McFERRAN,	MEMBER

Dated, Washington, D.C., August 17, 2017

¹ Chairman Miscimarra agrees that the Employer's and the Petitioner's motions should be denied because they have not demonstrated extraordinary circumstances warranting reconsideration of the Board's order to deny review. However, the Chairman adheres to the position expressed in his dissent in the underlying case that review should have been granted because substantial questions exist regarding whether the parties had bargained for a reasonable period of time under the settlement agreement.
