ORDER CLOSING THE RECORD AND SETTING TIME FOR POST-HEARING BRIEFS

On November 21, 2017, I ordered that the record in this case be reopened for the purpose of allowing Counsel for the General Counsel to submit certain documents identified on the record on October 19 (November 21 Order). I further permitted Respondent to file a motion to strike any documents submitted by Counsel for the General Counsel that it believed were not in conformity with my November 21 Order. Subsequently, Counsel for the General Counsel timely submitted numerous documents into the record, and Respondent timely filed a motion to strike certain of those documents as being outside the scope of my November 21 Order.

I will take Respondent's motion to strike under advisement and rule on it in my final decision in this matter. Counsel for the General Counsel is specifically requested to address Respondent's motion to strike in her post-hearing brief.

Accordingly, it is **ORDERED** that the record in this matter is **CLOSED**.

It is **FURTHER ORDERED** that post-hearing briefs in this matter are to be filed by **December 21, 2017**.

Dated: December 1, 2017, San Francisco, California.
