**ORDER**

The Respondent has moved to postpone the trial that is scheduled to resume on February 27, 2018. The hearing in this matter has already been significantly delayed due to previous postponements. The Respondent has not established that it would incur an undue burden or be denied a fair trial by going forward on the dates currently scheduled. Accordingly, the trial will resume and be held February 27 to March 2, March 5 (if necessary), and March 12 to March 13, 2018.

Based upon the foregoing, it is hereby ORDERED that the Respondent's motion for a postponement of the trial is denied.
