RE: WF Coal Sales, Inc. - Case No. 09-CA-157523

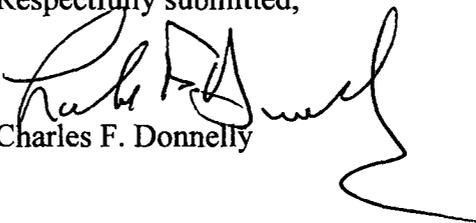

Dear Mr. Shinnars:

This is to inquire into the status of the above-noted case. The matter was submitted to the Board on August 24, 2016, for decision upon a Motion for Summary Judgment. For your convenience, a copy of this Motion and attendant attachments is appended. Needless to say, the Charging Party and the employees affected by the Respondent's illegal contracting out of their jobs are more than interested in receiving a final decision in this matter. As such, we would appreciate your efforts in ensuring the resumption of the consideration of this straightforward Motion for Default Judgment at your earliest convenience.

Should you require any further information, please do not hesitate to contact me at your earliest convenience.

Thank you for your consideration of and attention to this matter.

Respectfully submitted,

Charles F. Donnelly
