CALIFORNIA NURSES ASSOCIATION/NATIONAL
NURSES ORGANIZING COMMITTEE (CNA/NNOC)

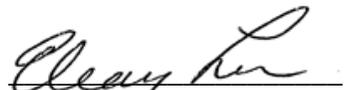

ORDER RE: MOTION TO CORRECT AND MOTION FOR CLARIFICATION

On June 22, 2018, Counsel for the General Counsel, Region 21, filed a motion for an order to correct an error in a previously-issued revised order. This motion is unopposed. I therefore ORDER that the Union for the Fallbrook Unit be identified as California Nurses Association/National Nurses Organizing Committee (CNA/NNOC), AFL-CIO on Page 20 of the Notice to be posted pursuant to my May 24, 2018, Order partially granting revised motion for partial consent order and partial dismissal (Revised Order).

On July 5, 2018, Counsel for the General Counsel filed a motion for clarification of the Revised Order, seeking to determine if any corporate parents should be identified in the notices issued pursuant to the Revised Order. Both CHSPSC and CHSI (the corporate parents) and Respondent Hospitals opposed the motion. Until a decision regarding the single/joint employer and/or direct participation theories of liability is made, it would be premature to include any corporate parent in a notice. If there is ultimately a determination of vicarious liability, remedies may include a supplemental order naming any corporate parent entities found to be single/joint employers or direct participants. Accordingly, for purposes of the notices pursuant to the Revised Order, only the applicable Respondent Hospital shall be identified in each notice.

SO ORDERED.

Dated: July 25, 2018, San Francisco, California.
