Re: USPS  
Case 05-CA-180590

Larry T. Pretlow II  
5906 Stevens Forest Road, #4  
Columbia, MD 21045

Dear Mr. Pretlow:

This will acknowledge the receipt in this Office on September 18, 2018 of the Charging Party's Appeal to JD-58-18. This "appeal," however, is procedurally deficient and thus does not qualify as exceptions under the Board's Rules and Regulations. Therefore, it will not be forwarded to the Board for consideration.

The Charging Party's purported exception[s] fails to comply with the requirements of Section 102.46(a)(1) of the Board's Rules and Regulations. The relevant part of Section 102.46(a)(1) provides:

"Each exception (i) shall set forth specifically the questions of procedure, fact, law, or policy to which exception is taken; (ii) shall identify that part of the administrative law judge's decision to which objection is made; (iii) shall designate by precise citation of page the portions of the record relied on; and (iv) shall concisely state the grounds for the exception."

The Charging Party's purported exception fails to set forth specifically the questions of procedure, fact, law or policy to which exception is taken, and does not set forth the portions of the record or the evidence relied on in support of the exception.

Furthermore, the Charging Party has failed to serve the other parties in this case pursuant to Section 102.5 of the Board's Rules and Regulations.

The Charging Party may conform his exceptions to meet the requirements set forth above, and re-file the exceptions with the Board in Washington D.C. by **Friday, September 28, 2018**. The Charging Party must provide proof that the exceptions have been properly served on all parties in an Affidavit of Service to

be filed with the Board in Washington, D.C. This affidavit may be filed electronically on the Board's website [www.nlr.gov](http://www.nlr.gov). Failure to file this affidavit of service may result in the rejection of the exceptions.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
