**ORDER<sup>1</sup>**

The General Counsel's request for special permission to appeal Administrative Law Judge Geoffrey Carter's order granting Respondents Community Health Systems Professional Services Corporation, LLC (CHSPSC) and Community Health Systems, Inc.'s (CHSI) renewed motion for consent order and partial dismissal is denied because,

<sup>1</sup> The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

having filed the request approximately 3 months after the judge issued the order, the General Counsel failed to comply with the promptness requirement set forth in Section 102.26 of the Board's Rules and Regulations. This denial is without prejudice to the General Counsel's ability to renew his arguments on exceptions to the Board after the judge's decision on the merits of the case.
