Re: Pomptonian Food Service
Cases 22-CA-086029
22-CA-104026

Dear Ms. Rothschild:

On March 7, 2014, Administrative Law Judge Lauren Esposito issued a Decision in the above-referenced cases finding violations of Section 8(a)(5) of the Act. Concurrent with this Decision, your office issued an Order, pursuant to Section 102.45 of the Board's Rules and Regulations, transferring the case to the Board. On April 18, 2014, the Respondent filed exceptions to Judge Esposito's decision, and the undersigned filed an answering brief on April 25, 2014.

On September 18, 2018, the Charging Party requested withdrawal of the above-referenced charges. My understanding is that the Charging Party wishes to withdraw these charges as the Charging Party no longer represents the bargaining unit employees. Consequently, any remedy obtained through a Board decision at this point in time would be moot. Therefore, Counsel for the General Counsel respectfully requests that the Board remand the above-titled cases back to the Regional Director for the purpose of approving the Charging Party's withdrawal request.

A copy of this request via electronic mail has been served on the parties to this proceeding this same date.

Very truly yours,

/s/ Michael Silverstein
