Case 04-CA-037648, et al.

**EXTENSION OF TIME TO FILE  
POSITION STATEMENTS ON REMAND**

The request for an extension of time in the above-referenced cases is granted.<sup>1</sup> The due date for the receipt in Washington, D.C. of Statements of Position with respect to the issues raised by the Court's remand to the Board is extended to **November 14, 2018**. This extension of time for filing position statements applies to all parties.

<sup>1</sup> Please note that NLRB Rules and Regulations Section 102.2(c) states that "[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." The due date for statements of position was October 30, 2018 and the request for an extension of time was filed on October 29, 2018, which is only one business day prior to the document's due date. Despite being filed one business day of the due date, there is no explanation in the request for extension of time as to why the need for the extension was "not reasonably foreseeable in advance." However, given that ongoing settlement negotiations between PSCOA and the Region's Compliance Officer, and that the Region's Compliance Officer does not oppose the extension, and the amount of additional time requested is not excessive, we will allow the extension.
