Case 32-CA-222546

Dear Mr. Rosenfeld:

This acknowledges the Charging Party's Opposition to Motion for Summary Judgment, filed with the Board on February 1, 2019.

Section 102.24(b) of the Board's Rules and Regulations requires that all oppositions to motions for summary judgment must be filed with the Board in Washington, D.C. no later than 21 days prior to the hearing date. The hearing in this matter is scheduled for February 13, 2019. Thus, the last date for the timely filing with the Board of an opposition to a motion for summary judgment in this matter was January 23, 2019.

Accordingly, as the Charging Party's Opposition to Motion for Summary Judgment was not timely filed with the Board, I cannot forward it to the Board for consideration.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
