Case No. 02-CA-177329 et al.

Dear Ms. Rothschild:

Counsel for General Counsel, pursuant to Section 102.46 of the Board's Rules and Regulations, hereby requests a 14-day extension of time to file its Answering Brief in Opposition to Respondent's Exceptions and cross-exceptions.

On December 12, 2018, Administrative Law Judge Benjamin W. Green filed his decision in the present case, finding in General Counsel's favor in part. On December 28, 2018, Respondent filed for a 45-day extension of time to file its exceptions and brief in support of exceptions, which was granted on January 3, 2019.

On February 26, 2019, the parties were invited to participate in the Board's Alternative Dispute Resolution (ADR) program and asked to respond by March 12, 2019. Counsel for General Counsel has replied in the affirmative but other parties have not yet replied. The Answering Brief in Opposition to Respondent's Exceptions and cross-exceptions are currently due on March 8, 2019.

Counsel for General Counsel hereby requests an extension of time to file an answering brief and cross-exceptions to Respondent's exceptions in the above-referenced matter to Friday, March 22, 2019, a date after the deadline for participation in the ADR program. Counsel for the Respondent and for the Charging Party have no objections to General Counsel's request for an extension of time. This is Counsel for General Counsel's first request for an extension of time pertaining to the filing of Answering Brief in Opposition to Respondent's Exceptions and cross-exception.

Very truly yours,
