DAVID EDWARD JURY

ORDER

The Respondent's request for special permission to appeal from Administrative Law Judge John T. Giannopoulos's April 10, 2019 order is denied. The Respondent has failed to demonstrate that the judge abused his discretion in remanding the case to the Regional Director to secure compliance before entertaining a motion to withdraw the complaint. The judge acted in accord with the terms of the informal settlement agreement and the Board's Casehandling Manual. See *NLRB Casehandling Manual (Part One) Unfair Labor Practice Proceedings*, § 10154.4.
