ORDER

The Employer's Requests for Review of the Regional Director's Order Denying Motion to Dismiss, or, in the Alternative, to Require a New Showing of Interest; his Decision and Direction of Second Election; and the Acting Regional Director's Decision and Certification of Representative are denied as they raise no substantial issues warranting review.¹ The Employer's request for extraordinary relief is denied as moot.

Dated, Washington, D.C., June 12, 2019.

¹ We affirm that the Regional Director properly directed a second election after setting the first election aside due to a prounion supervisor's solicitation of authorization card signatures under *Harborside Healthcare, Inc.*, 343 NLRB 906 (2004), without dismissing the petition or requiring a new showing of interest. *Madison Square Garden CT, LLC*, 350 NLRB 117, fn. 4 (2007). In denying review, we do not rely on the Regional Director's characterization of the Employer's motion to dismiss the petition as an untimely exception to the Hearing Officer's Report on Objections which issued on November 20, 2018.
