ORDER

The Employer's Request for Review¹ of the Acting Regional Director's Report on Objections and Certification of Representative² is denied as it raises no substantive issues warranting review.³

MARVIN E. KAPLAN,	MEMBER

Dated, Washington D.C., July 11, 2019.

¹ We have treated the Employer's "exceptions" as a Request for Review.

² We have treated the Acting Regional Director's "Report on Objections" as a Decision on Objections. See 79 Fed. Reg. 74412 fn. 464 (Dec. 15, 2014).

³ In denying review, we do not rely on the Acting Regional Director's statement that the disputed voter bears some responsibility for the lateness of his ballot and "could have directly and expeditiously returned his mail ballot instead of waiting until two days before the due date to mail his ballot."
