NATIONAL LABOR RELATIONS BOARD
1015 HALF STREET, SE
WASHINGTON DC 20570

Re: University of Southern California
31-CA-178831 & 31-CA-192125

ORDER

On March 12, 2019, the Court of Appeals for the District of Columbia Circuit granted, in part, the petition for review in the above-captioned matter and remanded these cases to the Board for further proceedings consistent with the Court's opinion. 918 F.3d 126 (D.C. Cir. March 12, 2019). On June 6, 2019, the Board accepted the remand and invited the parties to file statements of position with respect to the issues raised by the remand. On June 25, 2019, the Region, noting that the Union had submitted letters disclaiming interest in the subject bargaining unit and requesting withdrawal of all unfair labor practice charges related to that bargaining unit, referred the Union's request to the Board and sought "clarification" as to how the Board intends to proceed.

Given the Union's disclaimer of interest and request to withdraw its unfair labor practices, the Board no longer seeks position statements, and remands these cases to Region 31 for further appropriate action consistent with the Union's request.

Dated, Washington, D.C., July 12, 2019.

By direction of the Board:

/s/ Leigh A. Reardon
Associate Executive Secretary
