Re: **800 River Road Operating Company, LLC d/b/a CareOne At New Milford**  
**Case No. 22-CA-204545**

We represent 1199SEIU United Healthcare Workers East (“the Union”), the charging party in this matter. The Union has moved for partial withdrawal of the charge in this matter. On July 12, 2019, Respondent filed papers in opposition to the motion. I have been advised by counsel for the General Counsel that the General Counsel will be filing opposition papers as well, but counsel has been unable to state when the filing will take place.

Under section 102.24(c) of the Board’s Rules and Regulations, a reply to opposition to a motion is to be filed within seven days. In order to avoid duplication of effort and duplicative filings, the Union wishes to file a single reply to the Respondent’s and the General Counsel’s opposition to its motion. For this reason and because of my schedule for the rest of this week – among other things, I am scheduled to give an affidavit at Region 22 and to represent the Union in bargaining – the Union requests that the time for filing a reply to the Respondent’s and the General Counsel’s opposition to its motion be extended to seven days after the filing and service of the General Counsel’s opposition.
