ORDER

On March 11, 2019, the NLRB submitted a status report advising the court that the parties had reached an agreement to settle this matter, and the Board anticipated the matter would be resolved within the next 90 days. On July 25, 2019, the NLRB submitted a status report advising that they had executed a settlement but additional time was needed to effectuate its terms. Given the March 11, 2019 representation that the parties anticipated resolution of this matter in 90 days, the court is concerned that it remains pending. Upon consideration of the foregoing, it is

ORDERED that the parties file a status report by August 26, 2019.
