Dear Mr. Clark:

The Office of the Executive Secretary has been administratively advised that, on August 5, 2019, the Regional Director of Region 2 issued a Supplemental Decision on Challenges and Objections in the above-captioned representation case. In his Supplemental Decision, he directed that the challenged ballots that were the subject of his April 17, 2019 Interim Decision on Challenges be opened and counted along with the additional challenges that he overruled in his Supplemental Decision. In light of this Supplemental Decision, the Employer's May 21, 2019 Request for Review of the Regional Director's May 10, 2019 "... determination to hold the opening and counting of the above-referenced challenged ballots in abeyance..." is moot, and will not be ruled on by the Board.

Very truly yours,

Leigh A. Reardon
Associate Executive Secretary
