Case 07-CA-205394

**EXTENSION OF TIME TO FILE EXCEPTIONS
AND SUPPORTING BRIEF**

The request for an extension of time in the above-referenced case is granted.¹ The due date for the receipt in Washington, D.C. of Exceptions and Brief In Support of Exceptions to the Administrative Law Judge's Decision is extended to **September 3, 2019**. This extension to file exceptions and brief in support of exceptions applies to all parties.

¹ Please note that NLRB Rules and Regulations Section 102.2(c) states that "[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." The due date for exceptions was August 20, 2019 and the request for an extension of time was filed on August 16, 2019, which is only two business days prior to the document's due date. Despite being filed within three days of the due date, there is no explanation in the request for extension of time as to why the need for the extension was "not reasonably foreseeable in advance." However, Counsel for the General Counsel does not oppose the extension, and given that the amount of additional time requested is not excessive, we will allow the extension.
