Re: ETNA Prestige Technology, Inc.
Case 29-CA-215337 et al.

Dear Judge Chu:

Counsel for the General Counsel respectfully requests that the hearing date in ETNA Prestige Technology, Inc., Case No. 29-CA-215337 et al., be postponed from September 17, 2019 to October 29, 2019. The Second Consolidated Complaint in this case was issued on August 21, 2019 and Respondent's Answer to that Complaint is due on September 4, less than two weeks before the September 17, 2019 hearing date. The additional time requested is necessary for Counsel for the General Counsel to prepare to adequately present this case given the complexity of the issues, the numerous witnesses involved and competing work obligations in the Region. This additional time will also allow the parties to further consider a settlement in this matter. Finally, the October 29, 2019 hearing date will ensure that the hearing is not interrupted by anyone's observance of religious holidays in late September through mid-October.

Respondents agree to the requested hearing date. Earlier today Counsel for the General Counsel requested the Charging Party's position on the postponement and the October 29, 2019 date, however the Charging Party has not responded with its position.

Thank you for your consideration of this matter.

Very truly yours,

LYNDA TOOKER
Attorney
