Re: Unity Center for Behavioral Health  
Case 19-RC-241339

Dear Mr. Hayes and Ms. Damm:

This letter acknowledges receipt of the Employer's Supplemental Submission in Support of Request for Review of the Regional Director's Decision and Direction of Election, filed with the Office of the Executive Secretary on September 19, 2019.

Under Section 102.67(d) of the Board's Rules and Regulations, a request for review may be filed at any time following a Regional Director's action until 14 days after a final disposition of the proceeding by the Regional Director. Here, the Regional Director issued a Certification of Representative on June 27, 2019 – this action constituted the final disposition of the proceeding by the Regional Director. Accordingly, requests for review were due on or before July 11, 2019. The Employer filed a timely request for review on July 11, 2019. Because the deadline for filing requests for review has passed, the Board does not permit any supplements to the already-filed request for review.

Accordingly, the Employer's Supplemental Submission in Support of Request for Review of the Regional Director's Decision and Direction of Election is untimely and will not be forwarded to the Board for consideration.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
