Re: Hospital Menonita de Guayama, Inc.
Case 12-CA-214830, et al.

Dear Counsels:

This letter acknowledges receipt of the Charging Party's amended submission of its cross-exceptions to the administrative law judge's decision, and opposition to Respondent's exceptions, and the Respondent's motion dated October 4, 2019 stating that the Charging Party's filings had not been properly served on the Respondent.

According to the Charging Party's Certificate of Service, service was made on Counsels for the General Counsel and counsel for the Respondent by email on October 3, 2019. Because service was not properly made until nearly 10 days after the date of when the cross-exceptions and answering briefs were due, the Respondent has been granted, via extension of time request, until **October 21, 2019** to file its answering brief to the Charging Party's amended cross-exceptions.

The due date for the Respondent to file its reply to the General Counsel's answering brief to Respondent's exceptions remains today, October 7, 2019.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
