          Case 21-CA-207463

Dear Ms. Rothschild:

  Pursuant to Section 102.46(d)(3) of the Board's Rules and Regulations, Series 8, as amended, the General Counsel hereby requests an extension of time to file an Answering brief/Cross-exceptions in this matter. Given that Respondent filed Exceptions on October 30, 2019, the Answering briefs/Cross-exceptions are currently due on November 13, 2019. For the reasons outlined below, the General Counsel requests that Answering briefs/Cross-exceptions for all parties be due on January 13, 2020.

  The General Counsel makes the above-request based on the numerous allegations at issue, including several 8(a)(3) allegations, and the voluminous record in this matter. Indeed, the transcript in this matter is over 1700 pages long. Furthermore, Respondent filed over fifty Exceptions in this matter, which will require a significant amount of time to address. Also, in light of the holiday season, Counsel for the General Counsel is scheduled to be out of the office for a number of weeks during this time.

  The Charging Party Union joins the General Counsel's request for an extension of time to file Answering briefs/Cross-exceptions. Respondent does not object to the extension of time request.

  Thank you for your consideration in this matter.

        /s/ Elvira T. Pereda
        Counsel for the General Counsel
