Re: ETNA Prestige Technology, Inc.  
Case 29-CA-215337 et al.

Dear Judge Chu:

Counsel for the General Counsel respectfully requests that the hearing in ETNA Prestige Technology, Inc., Case No. 29-CA-215337 et al., currently scheduled for November 12, 2019, be postponed indefinitely. Today Respondent signed a settlement agreement which included provisions remedying the unfair labor practices alleged in the Second Consolidated Complaint and Second Corrected Complaint Based on Breach of Affirmative Provisions of Settlement Agreement, both issued in this case. The Regional Director will withdraw the Complaints upon her approval of the Agreement, however before she can approve the Agreement, she must give the Charging Party an opportunity to enter into or object to the Agreement, necessitating the requested postponement.

Neither the Respondent nor the Charging Party objects to the requested indefinite postponement.

Thank you for your consideration of this matter.

Very truly yours,

*Lynda Tooker*
