Dear Counsels:

This will acknowledge receipt of the Respondent's Amended Exceptions to Administrative Law Judge's Decision, filed with the Board on November 14, 2019. The Respondent claims that the "exceptions were amended to cross-reference relevant portions of the Employer's supporting brief," and that no other alterations were made. In light of this, the Board accepts the Respondent's amended exceptions, and the Union's Answering Brief to the Proposed Amended Exceptions, filed on November 27, 2019.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
