<sup>1</sup> In denying review, we rely solely on the Regional Director's finding that neither petition seeks a unit in which the Union has made a present claim to be recognized as the representative defined in Section 9(a) of the Act. See Sec. 9(c)(1)(B); see also Board's Rules and Regulations Sec. 102.61(b)(3) (RM petition must include statement that labor organization has presented claim "to be recognized as the exclusive representative of all employees *in the unit claimed to be appropriate*" (emphasis added)).
