**Re: Leisure Knoll at Manchester
04-RC-249476**

Dear Ms. Rothschild:

The Union urges the Board to affirm the Regional Director’s cogent, well-reasoned decision in the above-reference matter, which easily falls within well-established Board precedent. The Union stands on the Decision and Direction of Election and will not burden the Board by repeating its reasoning. We respectfully request that the Board rejects the employer’s request as it does not raise any substantial issue meriting review and appears not to have been timely filed.

Please let me know if you would prefer a more formal filing reflecting the Union’s position.

Sincerely;

Brent Garren
Deputy General Counsel
