**ORDER DENYING MOTION**

The Respondent's motion for summary judgment is denied. The Respondent has failed to establish that there are no genuine issues of material fact warranting a hearing and that it is entitled to judgment as a matter of law. This denial is without prejudice to the Respondent's right to renew its deferral arguments to the administrative law judge, after presenting evidence, and to raise the deferral issue before the Board on any exceptions that may be filed to the judge's decision, if appropriate.
