**ORDER DENYING MOTION FOR RECONSIDERATION**

On March 1, 2020, the Union filed a Motion for a Bill of Particulars regarding the Board's February 24, 2020 order, in which the Board denied its motion for default judgment and remanded this proceeding to the Regional Director of Region 22.<sup>1</sup> We have construed the Union's motion as a Motion for Reconsideration. The Union has not, however, identified any material error or demonstrated extraordinary circumstances warranting reconsideration under Section 102.48(c)(1) of the Board's Rules and Regulations. The Union's motion is therefore denied.

Dated, Washington, D.C., April 15, 2020.

<sup>1</sup> At the time the Union filed its motion for default judgment, it appeared that the Respondent's answer to the complaint was not timely. However, after the Board issued a notice to show cause, the General Counsel advised the Board that the Respondent's answer was timely because the Region had granted the Respondent an extension of time within which to answer the complaint. Accordingly, because the motion for default judgment was predicated on the timeliness of the Respondent's answer, the motion was denied.
