**THE NEW YORK STATE NURSES
ASSOCIATION**

Petitioner

**ERRATUM TO REGIONAL DIRECTOR'S
DECISION AND DIRECTION OF ELECTION**

On June 9, 2020, a Decision and Direction of Election (“DDE”) issued in the above-captioned case. In the DDE, it was incorrectly noted that the Notice of Election in this matter must be posted and distributed by the Employer no later than 12:01 a.m. on July 7, 2020 and that if the Employer does not receive copies of the notice by July 2, 2020, it should notify the Regional Office immediately. Because the mail ballot election in this matter commences on June 19, 2020, the Notice of Election must be posted and distributed no later than 12:01 a.m. on **JUNE 16, 2020**. If the Employer does not receive copies of the Notice by **JUNE 12, 2020**, it should notify the Regional Office immediately. The Employer must also distribute the Notice of Election electronically to any employees in the unit with whom it customarily communicates electronically.

Pursuant to Section 102.67(k), a failure to post or distribute the Notice precludes an employer from filing objections based on nonposting of the election notice.

Accordingly, confirming notification to the parties, the DDE is hereby corrected to reflect the foregoing.
