**ORDER DENYING MOTION FOR RECONSIDERATION**

On May 21, 2020, the Board denied the Respondent's motion for summary judgment finding that the Respondent failed to establish that there are no genuine issues of material fact warranting a hearing and that it is entitled to judgment as a matter of law. The Respondent's motion for reconsideration of the Board's denial of its motion for summary judgment is denied.<sup>1</sup> The Respondent has not identified any material error or demonstrated extraordinary circumstances warranting reconsideration under Section 102.48(c)(1) of the Board's Rules and Regulations.

Dated, Washington, D.C., June 30, 2020.

<sup>1</sup> The Respondent states that this is not a motion for reconsideration but rather a new motion for summary judgment addressed to the Administrative Law Judge. However, under Sections 102.24(a) and 102.50 of the Board's Rules, only the Board has the authority to consider pre-hearing motions for summary judgment or dismissal.
