Case 28-RC-254936

**DENIAL OF AMENDED EXTENSION OF TIME REQUEST TO FILE
REQUEST FOR REVIEW**

Dear Ms. Ramirez:

This letter is in response to your August 4, 2020 amended request seeking an extension of time until September 3, 2020 to submit your request for review.

Section 102.2(c) of the Board's Rules and Regulations specifies that "[r]equests for extensions of time filed within 3 days of the due date must be grounded upon circumstances not reasonably foreseeable in advance. Requests for extensions of time must be in writing and must be served simultaneously on the other parties. Parties are encouraged to seek agreement from the other parties for the extension, and to indicate the other parties' position in the extension of time request."

Your amended request still provides no circumstances that would have prevented you from filing your extension of time request more than 3 days before today's due date and that rise to the level of reasonably unforeseen circumstances within the meaning of the Board's Rules and Regulations. Moreover, the Union opposes the request. Accordingly, your amended request is denied.

Very truly yours,

/s/ Leigh A. Reardon
Associate Executive Secretary
