**ERRATUM TO DECISION AND DIRECTION OF ELECTION**

On August 10, 2020 the Decision and Direction of Election issued in this case containing the following language regarding the ballot count:

If the Regional Director determines that it is unsafe for the parties to participate in an in-person count at the Regional Office, or any party prefers not to physically attend the count, the parties will participate by using Facetime to observe the count. In the case of a video count, the tally of ballots will be served on any non-physically present parties via email immediately following the count.

That paragraph should read as follows:

The method for the count will require virtual participation and will be determined by the Regional Director prior to the count.

In addition, the August 10, Decision and Direction of Election referred to the Employer as The Wurlitzer Master Tenant LLC d/b/a The Hotel Siren. The correct Employer name, as agreed by the parties in Board Exhibit 2, is The Wurlitzer Master Tenant LLC d/b/a The Siren Hotel.
