Case 31-RD-223309

Dear Counsel:

This letter acknowledges receipt of the Employer's Request for Extraordinary Relief and Review of the Regional Director's Decision dated August 5, 2020 in the above-referenced case.

Under Sections 102.5(a) and 102.67(i)(1) of the Board's Rules and Regulations, briefs that exceed 20 pages must contain a subject index (or table of contents) with page references and an alphabetical table of cases and other authorities. The Employer's request for review exceeds 20 pages but omits these tables. Accordingly, I cannot transmit it to the Board for consideration. However, please note that the due date for filing requests for review of the Regional Director's August 5, 2020 decision is **August 19, 2020**. Therefore, you may file a revised request for review that conforms to the Rules by that date. In addition, you can request an extension of this due date if you feel you need additional time to prepare your request for review. A request for an extension of time for filing a request for review must be filed with the Office of the Executive Secretary and include a statement showing that you have served the other parties to the case. Please be sure to file any requests for additional time more than 3 business days prior to the due date otherwise you will need to explain why your need for additional time was not reasonably foreseeable in advance.

Very truly yours,

/s/ Mark G. Eskenazi
Associate Executive Secretary
