Case 19-CA-232897

Dear Mr. Pautsch:

The Executive Secretary's Office is in receipt of your request for an extension of time filed on September 22, 2020. The request seeks an extension to file exceptions to the Administrative Law Judge's Decision from September 24, 2020, the current due date, to October 23, 2020. In support of your request, you state that:

Counsel for the Respondent has had to undertake extensive unexpected travel in the last month due to business and family obligations and is also tasked with filing a Ninth Circuit brief in another matter.

You provide no other reason for seeking the extension of time.

Section 102.2(c) of the Board's Rules and Regulations specifies: "...Requests for extensions of time filed within 3 days of the due date must be grounded upon circumstances not reasonably foreseeable in advance. Your extension request was filed within 3 days of the due date and the grounds for your request do not constitute reasonably unforeseen circumstances under the Board's Rules. Accordingly, your request is **DENIED**.
