In response to my order dated January 3, 2020, Counsel for the General Counsel has requested clarification regarding his obligation to produce certain documents contained in Ociel Solano's production (Bates numbered 000195-000217) in light of the fact that they reflect communications taking place outside the temporal scope of subpoena duces tecum B-1-1B23725. These documents are not required to be produced in redacted (or any) format.

So ORDERED.
