Re: Granada Wellness & Rehabilitation Center
Case 20-RC-268518

Dear Mr. Albert:

This letter acknowledges receipt of the Employer's Request for Review in the above-referenced case.

Sections 102.5(a) and 102.67(i)(1) of the Board's Rules and Regulations provides that filings must be double-spaced, except that quotations and footnotes may be single spaced. In addition, briefs that exceed 20 pages must contain a subject index (or table of contents) with page references and an alphabetical table of cases.

The Employer's request for review is single-spaced. Accordingly, I cannot transmit it to the Board for consideration. **Should you still desire to file a request for review, you may do so by conforming the brief to the Rules and resubmitting it. Should the double-spaced request for review exceed 20 pages it must contain tables of contents and authorities. Such a conformed request for review must be filed by 2:00 pm ET on Thursday, February 11, 2021. No extension will be granted for the conforming and refile of this request for review.** Further, you are cautioned not to make additional argument or other substantive changes when conforming and resubmitting your request for review. This additional time to resubmit your request for review **does not serve as an extension to the other parties for filing oppositions to the request for review. Thus, oppositions to the request for review remain due on Tuesday, February 16, 2021.**

Very truly yours,

/s/ Mark G. Eskenazi
Associate Executive Secretary
