The parties are directed to file within 14 days simultaneous responses to the following inquiry:

With the understanding that 29 U.S.C. § 160(e) grants the NLRB authority to petition any court of appeals of the United States for enforcement of its orders, this Court requests the parties to address whether adversity of interest is required by Article III at the time of filing in order to enforce an NLRB petition and whether such adversity existed here given that the employer consented to NLRB's order.
